**TOOLS COMPANY.COM**

Hearing the **right quote at the right time** can be just the medicine we need. Whether it's **for inspiration, encouragement or it helps facilitate an "Aha!" moment** - we just can't seem to get enough of quotes!

So, creating an ebook of curated quotes seemed a great way to show my appreciation. I had a lot of fun putting this together - and **this is a collection of just some of my favourite quotes!**

*Many of these quotes are 140 characters or less* - so I'd love you to **use them on Twitter, Facebook, Linked In etc. to connect with your fans and followers, or use them with your friends, clients, in your articles or workshops!**

**TWITTER TIP:** If the quote fits on one line (or just over), it's under 140 characters AND leaves you room for comments or 'retweetability'.

**Lastly**, I can't guarantee that all these quotes are 100% correct. I have collected them over the last several years, and trusted that they are accurate as I found them. **If any of the quotes or attributions are incorrect - please let me know and I will update my master quote list.**

Thank-you for your support. I hope you love this ebook, enjoy and get out there and make a difference!
